

Prayer for the Transformation of Poole

Revised May 2023

Prayer Diary

Seek the peace and prosperity of the city to which I have carried you in exile. Pray to the Lord for it, for if it prospers you too will prosper (Jeremiah 29:7)

I urge, then, first of all, that petitions, prayers, intercessions and thanksgiving be made for all people—for kings and all those in authority that we may live peaceful and quiet lives in all godliness and holiness (1Timothy 2:1)

This Prayer Booklet has been put together by the group of Christians from various churches who meet each Tuesday morning to pray for the transformation of Poole. If you would like to join us on a Tuesday morning at 8am then email: office@longfleetbaptistchurch.co.uk

Another opportunity for prayer is to go to the Chapel in The Spire at 1pm on Tuesday to Friday every week for 'Together at One'

We long to see our town transformed by God's love and to see those who live here come to know Him.

We believe that this includes all aspects of the town's life and activities and so we have included not only our churches and other Christian organisations but also educational establishments, healthcare settings, local government, leisure facilities and business and retail. We would invite you to join us in praying for these to be transformed by God.

The booklet has been laid out with 52 weekly prayer suggestions but undated so you can either start at week 1 and work through until you get to week 52, or you can find the week that corresponds to the time of year you are starting and work through until you start again at week 1 in January
